STORMY WEATHER

Eight nearly new modern brick cottages, four of 6 rooms each and four of 5 rooms each and four of 5 rooms each.

They are located on South Temple and North Temple and Chicago ave., near 8th West. None of these houses cost less than \$2500 to build. They can be bought on very easy terms. Will sell them all or one at a time.

The houses on North Temple and South

or one at a time.

The houses on North Temple and South
Temple have 4 rods front, and the price
\$2750 each. The houses on Chicago ave,
have 24x8 rods to alley in rear, for \$2150.

Not less than \$500 cash and balance in
monthly payments. These houses are always rented, because they are better
homes than any in that locality.

Take Sugar House car and look at 1209 Princeton ave., north of 10th South. You will find one of the biggest snaps yet. The lot 50x140 fect, with 2 houses, one a new 7-room modern with furnace, and the other a 3-room cement bungalow. All can be bought for \$350. It will take cash to handle this snap.

Am ordered to sell an 8-room 2-story white pressed brick, with all modern conveniences, located on 3rd ave. I built this house 3 years ago. It's better than a new one. All street, lawn and other improvements have been added since. If you are looking for a handsome, moderate-priced 8-room residence, this will suit you. Let me show it to you.

Many other good snaps just listed. We write fire insurance write fire insurance.
